

Purchasing platform: Order brand-name articles even in small quantities

Would you like us to help you out? Take advantage of our additional services such as labelling, price-labelling or stock-picking.

Would you like to purchase brand-name articles even in small quantities simply and at preferential conditions? If so, use the Swiss Post purchasing platform and have brand-name articles delivered securely and reliably throughout Switzerland and the Principality of Liechtenstein.

Shopping is easy

As soon as you have registered with the Swiss Post purchasing platform and have signed a contract with us you will receive a user name and password and can issue your orders online. You can also place them by e-mail or fax. Enter your desired products, quantities, delivery frequency and address. Depending on the product and quantity we will deliver the goods by truck or in a Dispobox.

Advantages

- You purchase products from well-known, valued brands.
- By bundling several small orders we can generate large volumes and you benefit from lower prices.
- Ordering is easy via the e-shop, e-mail or fax.
- Low minimum order quantities
- We can also take other tasks off your hands: labelling, price-labelling, putting together sale displays, etc.
- You obtain all the services from a single source.
