

Swiss Post GLS

Countries and prices for Euro Business Parcel

Do you want your business idea to go beyond borders and capture new markets? With Euro Business Parcel from Swiss Post GLS, you can send parcels of up to 40 kg to destinations across Europe quickly and with favourable conditions. All prices are quoted in Swiss francs and exclusive of VAT.

Countries and delivery times

Shorter times generally apply to towns and cities. Export on the day of collection is possible for volumes of approx. 15 parcels and above per day. This generally reduces delivery times by one working day.

EU customs clearance

When importing into a country with customs-exempt onward transportation within the EU, you benefit from the same conditions as with EU providers. You also enjoy better liquidity and improved delivery times.

Collective customs clearance

Customs clearance is billed for each commercial invoice. You can reduce costs considerably by combining several parcels on a single invoice and conducting customs clearance via one importer.
