Dimensions for domestic parcels

Letters, parcels or bulk goods

These are classified as letters

Consignments up to format B4 (35.3 × 25 cm), with a thickness of up to 2 cm and weighing up to 1 kg are classified as letters.

These are classified as standard parcels

Minimum dimensions (recommendation):

Thickness 1 cm
Weight 100 g
Format 10.5 × 14.8 cm (A6)

Maximum dimensions (specification):

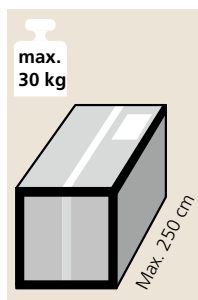

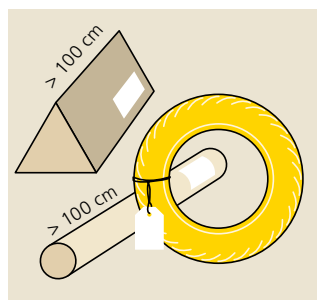

Weight 30 kg
Format 60 × 60 × 100 cm

Note

We can also process consignments that are below the minimum dimensions. Nevertheless, we recommend that you take the above minimum dimensions into consideration. This means that consignments can be processed automatically, carefully and without using special equipment.

These are classified as bulk goods

Consignments that are larger than standard parcels (parcels longer than 100 cm or with 2 dimensions greater than 60 cm), consignments with addresses on hanging tags and non-packaged non-packaged mail.

Maximum bulk goods dimensions (specification):

Length: max. 250 cm or

Girth dimension: max. 400 cm
(2 × height + 2 × width + longest side)

Weight: 30 kg

Examples of standard consignments

Rectangular standard consignments with light packaging colour without motif imprint on the surface.

PostPac, Swiss Post's practical box packaging is available in eight sizes. For more details go to www.swisspost.ch/postpac

Examples of bulk goods

Sports and travel bags

Suitcases of all kinds with or without wheels, handles or other external grips.

Consignments requiring manual processing

In spite of standard dimensions, certain consignments cannot be sorted mechanically. They require manual processing if they have the following characteristics:

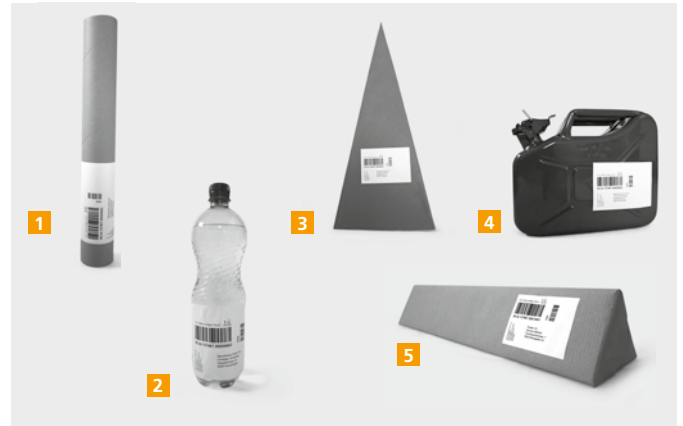

- ▶ Special packaging shape *
- ▶ Specific packaging materials *
- ▶ Specific address placement

* This type of consignment can impair sorting or damage other consignments.

Consignments which require manual processing are subject to a surcharge.
